

VOLUNTEER PARTICIPATION REQUIREMENTS

GENERAL

The Kirkland Lake Aquatic Club is a member run, not for profit organization that relies on the participation of its membership to run the club activities successfully. Families with at least one swimmer in the High Performance, Age or Regional Development Group are required to meet the volunteer participation requirements for each group (see below).

POINT SYSTEM

A point system is used to track family participation activities for each family. Different activities have been assigned different point values (see *SUMMARY OF POINT LEVELS AND POINT VALUES*). Each family must accumulate different point values as outlined for the individual swimmer group. Families with multiple swimmers will accumulate points based on the highest level registered swimmer as well as one additional point for each additional swimmer.

POINT REQUIREMENTS

The point requirements outlined below can be accumulated easily if members are actively involved in the club's fundraising activities. The point values assigned encourage families to become further involved in the club as their swimmer moves through the program. Accumulation of up to ½ of the required points is encouraged per session. The first cheque will be returned by February 1, 2022 if the swim family has accumulated a minimum of ½ of the point requirements and the second cheque returned by June 1, 2022 if all point requirements are met as outlined. Each family should commit to volunteering for at least two sessions during the KLAC invitational meet, 1 session at KLAC NEOR or KLAC Topfish meets (if your swimmer is entered). Your volunteer deposit will be returned at the end of the season if the following requirements are met:

- **SENIOR GROUP** → 19 points
- **AGE GROUP** → 15 points
- **JUNIOR GROUP** → 12 points

******Families will not be eligible for club support or subsidies for team meets, provincial or national swim meets if point requirements are not met or the swimmer does not participate in the annual swim-a-thon. Swimmers must be active members of the KLAC at the time of support.***

VOLUNTEER DEPOSIT

Two post-dated cheques dated February 1, 2022 and June 1, 2022 will be required at the start of the season as follows:

- **SENIOR GROUP** **2 x \$350.00**
- **AGE GROUP** **2 x \$250.00**
- **JUNIOR GROUP** **2 x \$150.00**
