SWIMMER - 2025-2026 REGISTRATION

Dear Swimmer/Parent/Guardian,

Welcome to the 2025-2026 swimming season! Please take a moment to review this brief explanation of the swimmer registration process required of all swim clubs.

Each swim club in the province of Ontario is a member of the national governing body for swimming called Swimming Canada and the provincial governing body or Provincial Section (PS) called Swim Ontario. In return for government sport funding, all governing organizations are required to report on membership. Non-identifying statistics are obtained directly from the data collected in the Registration and Event Management System (REMS). With your assistance to provide accuracy, we can comply with our requirements and continue to benefit from strong government support, virtually all of which is directed towards the support of swimmers, coaches and clubs. All swim clubs are required to process all registrations to Swim Ontario and Swimming Canada via the REMS.

The final steps of registering with your swim club includes completing the following mandatory steps in the REMS:

1. Confirmation of primary contact and personal information
2. Signing the Acknowledgement and Assumption of Risks Form
3. Agreement to comply to the [Swimming Canada Privacy Policy](#), [Swimming Canada Code of Conduct](#) and abide by all other [Swimming Canada Policies](#) and Swim Ontario Policies;
4. Indication of your preference to receive emails of a commercial nature
5. Confirmation of Canadian citizenship status – identifies eligibility of swimmer to set records or national team selection.
6. Swim Ontario Code of Conduct and Concussion (Rowan's Law) Acknowledgements for the swimmer category.

NOTE: It is only upon completing the above steps in the REMS that you/your swimmer are considered officially registered and a member of [INSERT NAME OF CLUB] and then covered by insurance. This registration process must be completed before entries into a swim meet can be submitted and accepted. Your information is held by the Club, Swim Ontario and Swimming Canada in compliance with the [Swimming Canada Privacy Policy](#).

In addition to the mandatory questions, there are five optional declarations that may be completed in the REMS. Providing this information is voluntary and will be used for statistical and informational purposes as well as for program development. It will not be used by your Provincial Section or Swimming Canada for any prohibited purpose as per The Canadian Human Rights Act and Provincial Human Rights legislation.

1. **Gender Identification** – allows swimmers to self-declare their gender identification (Cisgender, Non-Binary, Transgender). This optional self-declaration will have no effect on the gender of registration but will provide valuable information in order to continue to develop and grow programming.
2. **Indigenous Descent** – identifies eligibility for the North American Indigenous Games and/or regional/provincial funding opportunities (if available). In some Provincial jurisdictions, these statistics are also required as part of government funding reporting requirements.
3. **BIPOC Declaration** – this optional self-declaration will provide information for government reporting and to develop and grow programming.
4. **Impairment Declaration** – helps Swimming Canada, Swim Ontario and your swim club to direct opportunities that are specifically targeted to swimmers with a disability (Para Swimmers)
Refer to: <https://www.swimming.ca/what-is-para-swimming-2/>
5. **d/Deaf/Hard of Hearing** – assists in identifying individuals who may be eligible for participation in events specifically targeted to swimmers who are d/Deaf/hard of hearing.

Thank you and have a great swimming season!

VOLUNTEER COMMITMENT POINT SYSTEM

Parent volunteers are crucial to having a successful swim team. There are many areas we need help from parents throughout the season. We are once again implementing a volunteer commitment in order to encourage all parents to help out during the season with various events. It is the goal for KLAC to have all parents involved and hopefully have a smooth running season. Each family will be required to accumulate 1 points throughout the season in order to have your volunteer commitment money returned.

All families are required to earn 15 points during the season. At least 40% of points must be earned during each half of the season, the remaining 20% of points can be earned during the entire season.

At the start of the season, a Volunteer Fee of \$200 is required. First 6-9 points of commitment are due to be submitted by Jan 31, 2026 in order to get first installment of \$100 returned. The remainder of points are due to be submitted by May 31, 2026 to have the second installment of \$100 returned. Parents need to keep track of their own points earned and hand them in by the due dates specified.
